## Acknowledgment of Disclosures / Disclaimer

\_\_\_\_\_  
Name of Deceased

Date of Death: \_\_\_\_\_ Date of funeral and/or final disposition of body \_\_\_\_\_

I/we who made the arrangements for the funeral and final disposition of the remains of the Deceased, do hereby attest to the following:

1. I/we were shown/given a General Price List effective on **April 10, 2017**, prior to discussing prices, services, or merchandise.
2. I/we were shown/given a Casket Price List effective on **April 10, 2017**, prior to discussing prices or caskets.
3. I/we were shown/given an Outer Burial Container Price List effective on **April 10, 2017**, prior to discussion prices or outer burial containers.
4. I/we were told that embalming is not required by law and were told that the law does not require embalming except in certain special cases. If embalming was provided, it was done with my/our permission.
5. I/we were told that embalming is not required by law for direct cremation, immediate burial, a funeral using a sealed casket or if refrigeration is available and the funeral is without viewing or visitation and with a closed casket.
6. I/we were not told that any law requires a casket for direct cremation or that a casket other than an unfinished wood box is required for direct cremation or for direct disposition.
7. I/we were told that state law does not require the purchase of an outer burial container or any of the funeral goods or services I/we selected except as set forth on the statement of funeral goods and services selected.
8. No claims were made to me/us as to the merchandise or other offerings of this funeral firm (embalming, casket, outer burial container) to the effect that embalming or the use of any merchandise available from this funeral firm would delay the decomposition of the remains for a long term or indefinite time, or that any such merchandise would protect the body from gravesite substances if such was not the case. No representations or warranties were made to us about the protective features of caskets or outer burial containers other than those made by the manufacturer. The only warranties, expressed or implied, granted in connection with goods sold with the funeral service we arranged were the express written warranties, if any, extended by manufacturers of such goods. No other warranties were extended to us.
9. I/we were not told that the amount of each of the cash advance items was a cost to the funeral firm except where such was the case. I/we were told that the funeral firm's cost may be different based on volume or cash discounts or other professional/trade customs where permitted by state or local law.
